GANAS Doctoral Summer Bridge Program Mentor Role

**Graduate Student Mentor Requirements:**

1. Demonstrated commitment and ability to work towards retaining, motivating, and engaging historically marginalized students with intention and cultural humility.

2. Present and ongoing interest in mentoring, teaching, and/or supervising college students, students with disabilities, first-generation students, and/or economically disadvantaged students.

3. Good Academic Standing

4. Ability to communicate in mindful, meaningful, and effective ways in one-on-one, small group, and workshop settings.

5. Demonstrated commitment and patience when engaging with historically marginalized students.

6. The ability to attend the in-person on-campus “active programming” portion of the GANAS DSB August 11th-16th.

*Please note this program involves working over the weekend! (August 11th is a Sunday)*

**Graduate Student Mentor Preferred Qualifications**

1. Prior experience mentoring, teaching, and/or supervising students in a peer setting.

2. Experience teaching and/or mentoring college students, students with disabilities, first-generation, Latinx, POC, and/or economically disadvantaged students.

3. Previous experience in a leadership/mentor role.

4. Doctoral Candidate.

**Example Activities and Responsibilities to fulfill:**

Mentors will receive a thorough introduction to GANAS Graduate Pathways, The GANAS Doctoral Summer Bridge Program, as well as to their development and mentorship responsibilities.
Participate in ongoing meetings with fellow grad mentors and GSC, as well as individual GANAS GSC meetings for feedback, sharing of best practices, and guidance.

Graduate Student Mentors will meet on a semi-regular basis over zoom, beginning in May, leading up to the in-person training day on August 9th. Meetings will be held with GANAS GSC and DSB staff as well as fellow program mentors. Graduate Student Mentors will be expected to attend all DSB meetings and trainings, both over zoom and in-person.

Graduate Student Mentors will work with GANAS GSC and DSB staff to develop campus-familiarization activities and workshops *(campus scavenger hunts; bus route + downtown scavenger hunts)*

Graduate Student Mentors will be expected to attend all DSB “active programming” from August 11th - 16th.

Graduate Student Mentors will be expected to develop and present a research and/or graduate student experience-related presentation to be shared with other mentors and DSB. (this should be fun!)

Graduate Student Mentors will be expected to participate on a panel of graduate student experience, sharing their own “tips on navigating new academic and social surroundings, challenges they faced, and resources they used to address them.”(from GANAS PPOHA Grant Narrative)

Graduate Student Mentors will work closely with their group of Mentees during the program to encourage their retention, self-efficacy, and success in preparation for their individual graduate program participation.

Graduate Student Mentors will be responsible for guiding their group of mentees throughout campus and inform them of campus policy as appropriate.

*The Following Will be Provided to Graduate Student Mentors*

Summer Fellowship: $1,800 (paid out in Spring quarter)

Summer Program Housing: Housing and 3 meals per day covered by GANAS DSB from August 11th - 18th.

Experience: A very nice week in August building community!
