Acknowledgment

- By submitting this application you agree to have your responses, supporting documents, and academic record reviewed by the program administrators and reviewers as part of the screening and selection process.

You also acknowledge awareness of the following procedures for the disbursement of the participation fellowship, should you be selected for this program:

*Fellowship awards to UCSC students will be disbursed by the Financial Aid Scholarship Office in summer 2022, to help defray the costs of your attendance at UCSC. The fellowship disbursement will be coordinated by the [Financial Aid & Scholarship Office \(https://financialaid.ucsc.edu/about-us/contact_information.html\)](https://financialaid.ucsc.edu/about-us/contact_information.html) and will be incorporated into any financial aid you may already have to ensure the total awards do not exceed the cost of attendance. In most cases, the fellowship will result in a credit for the specified amount on your UCSC student billing account unless the incorporation of the fellowship reduced other existing financial aid (i.e. scholarship reduced loan indebtedness).
